# SCHOOL-WORK PROGRAMS

## Benefiting Students and Employers

Introducing young people to the work environment and giving business a hands-on opportunity to showcase the relationship between education and employment.

### Starring:

Eager students looking forward to a new experience, a chance to learn, to observe, to gain skills and confidence and to be part of a team.

### With Special Appearance By:

Progressive employers, who understand the importance of investing in the future.

Employers who want to work creatively with educators to give young people the opportunity to see the bigger picture and develop a clearer perspective of career choices.
