## \$500 Enters a Team of Four in this Energetic Competition

Starting out with \$500,000.000 of funny money, your team will simulate the stock market over a 60-day period to see which team produces the highest net worth.

"In-School" Stock Market Challenge:  
In the afternoon, students will experience the game on their own and learn hands-on about the stock market.

**All Proceeds to Junior Achievement**
