**Let Their Success .... Be Your Inspiration!**

"I learned about new careers I never thought about before."

"I wanted to know that women could go the distance and not let anything get in the way! It was a huge boost of confidence."

"This was the most fun I've ever had learning. It was a place to meet new people and have a better understanding of what I want to be."

"I learned so much about self-awareness, acceptance and confidence and to never stop dreaming."

This one-day workshop allows young women to learn about emerging and non-traditional career roles. The conference has a combination of interactive information sessions, speakers, panel discussions and trade-show style displays.

Young women get the chance to meet & talk to women in non-traditional career roles. The aim is to inspire the participants to make choices today that will affect them in the future.

## Participants will:

Learn what education & experience they need to pursue a variety of careers

Meet interesting women they might look to as mentors in the future

Understand the importance of networking

Understand their career path options better

Explore what they need to do to prepare for the future

Realize the importance of their present school curriculum as it relates to their career dream

Realize the importance of self-awareness & self-confidence
